### Online Payment Options and Instructions:

The online registration and payment system is ready to go.

Please note if you are registering multiple family members, complete their registration information and then add them to the cart using the *"add to cart button"*. You can then proceed to add all of your players this way and when finished you then check out. This allows you to do one check-out for your whole family instead of a separate one for each, like we had to do last year.

*Also note that the discount for multiple players automatically starts with the 3<sup>rd</sup> family member. You will not see this on the screen until you proceed to checkout once all of your family members have been registered.*

### Payment

---

1. Credit Card – Visa and Mastercard
2. Payment by cheque and post-dated cheques (payment plan) will be available through the online registration system as well, this year. If you choose this method of payment, your cheque or post-dated cheques must be forwarded to the CMHA at P.O. Box 1526 or dropped off to Nancy, at Rene's Total Home Comfort. If you would like to spread your payment out over time, the cheque dates would be as follows:
  - 1<sup>st</sup> Cheque for 1/3 of total – at date of registration
  - 2<sup>nd</sup> Cheque for 1/3 of total – September 31, 2010
  - 3<sup>rd</sup> Cheque for 1/3 of total – October 31, 2010

**\*\*Note – Registration is not complete until cheques have been received. Players will not be allowed on the ice until payment has been made.**

### Canteen Fee Information

The Canteen Fee payment option is only required if you choose not to work your 3 required canteen shifts.

(Juvenile players do not have to work canteen shifts.)

The Ladies Aux. run the canteen and each family is required to work 3 shifts over the course of the hockey season. There are always 2 or more people working in the canteen, so you are never alone and it is not a difficult task. Proceeds generated from the canteen go directly back to the kids in various ways (new hockey socks each season, tournament sponsorships, busing donations for playoffs, annual awards day trophies, etc.)

This is a required component of your CMHA registration and it is our hope you will choose to contribute your time at the canteen.

---

**Please contact Andrea Dunkley to book your shifts.**

**Email - [adunkley@ymcanorthumberland.com](mailto:adunkley@ymcanorthumberland.com)**

**Phone - 705-653-4495 Shifts must be booked through Andrea by October 15th.** Failure to do so may result in the suspension of your kids from their teams.

If for some reason you are unable to work canteen shifts, you are required to select the \$200 canteen payment from the fees package.
